Re: *In Re W.R. Grace & Co.*, Case No. 01-01139 (JKF)

Dear Mark:

I am in receipt of your January 9, 2007 signed statement certifying that your firm will not be able to make the certification required by the December 22, 2006 order issued by U.S. Bankruptcy Judge Judith K. Fitzgerald in the above referenced matter. Pursuant to paragraph three of that December 22, 2006 order, Grace hereby requests that each of your clients subject to this order "make his or her original x-ray available for inspection at [your] office within thirty (30) days" Order at ¶ 3.

Please be advised, as Grace articulated in its November 17, 2006 notice regarding the production of x-rays, the x-rays will be reviewed by three or more B-readers. Consistent with the ILO Guidelines, the reviewing B-readers shall review the x-rays independently of one another. Accordingly, this will be an on-going review that will continue day-to-day in a manner that will accommodate each reviewing physician's need to come and go to attend to necessary patient care. Your firm will receive 24-hour written notice prior to the arrival of a B-reader that will include the B-reader's name, and the names of any others assisting the B-reader. Given the ILO's preference for "blind" x-ray reads, it is imperative that nobody from your office communicate directly with the B-readers during the review.

For your convenience, I have enclosed the December 28, 2006 letter with the attachment that lists your clients who we believe are subject to this order. As detailed in the letter, this list is based on a review of your clients' responses to the Questionnaire. You may have other clients alleging that they have a malignancy caused by asbestos exposure who are not listed in the attachment to the December 28, 2006 letter but are nonetheless required to produce x-rays pursuant to the December 22, 2006 order. Prior to February 1, 2007, please provide a list of individuals whose original x-rays will be made available in this production.

Re: *In Re W.R. Grace & Co.*, Case No. 01-01139 (JKF)

Dear Thomas:

I am in receipt of your January 11, 2007 letter certifying that your firm will not be able to make the certification required by the December 22, 2006 Order issued by U.S. Bankruptcy Judge Judith K. Fitzgerald in the above referenced matter. Pursuant to paragraph three of that Order, Grace hereby requests that each of your clients subject to the Order "make his or her original x-ray available for inspection at [your] office within thirty (30 days) days" Order at ¶ 3. Additionally, in your January 11, 2007 certification, you indicated that you were making this certification on behalf of additional firms. Such firms are receiving courtesy copies of this letter and should also be prepared to produce original x-rays at their offices or your office pursuant to paragraph three of the December 22, 2006 Order.

Please be advised, as Grace articulated in its November 17, 2006 notice regarding the production of x-rays, the x-rays will be reviewed by three or more B-readers. Given the volume of x-rays to be reviewed, it will likely take several days before this review will be complete. Accordingly, we will contact you to arrange a time to review the x-rays pursuant to the Court's Order.

For your convenience, I have enclosed the December 28, 2006 letter with the attachment that lists your clients who Grace believes are subject to the Court's December 22nd Order. As detailed in the letter, this list is based on a review of your clients' responses to the Questionnaire as of December 1, 2006. You may have other clients alleging that they have x-ray evidence supporting their allegation that their malignancy is attributable to exposure to asbestos who may not be listed in the December 28, 2006 letter but are nonetheless required to produce x-rays pursuant to the December 22, 2006 Order. See Order at ¶ 6.

If you have any questions or concerns, please do not hesitate to contact me at the number listed above or on my cell phone at (703) 477-7558.

Pursuant to paragraph three of that Order, Grace hereby requests that each of your clients subject to the Order "make his or her original x-ray available for inspection at [your] office within thirty (30 days) days" Order at ¶ 3.

Please be advised, as Grace articulated in its November 17, 2006 notice regarding the production of x-rays, the x-rays will be reviewed by three or more B-readers. Given the volume of x-rays to be reviewed, it will likely take several days before this review will be complete. Accordingly, we will contact you to arrange a time to review the x-rays pursuant to the Court's Order.

For your convenience, I have enclosed the December 28, 2006 letter with the attachment that lists your clients who Grace believes are subject to the Court's December 22nd Order. As detailed in the letter, this list is based on a review of your clients' responses to the Questionnaire as of December 1, 2006. You may have other clients alleging that they have x-ray evidence supporting their allegation that their malignancy is attributable to exposure to asbestos who may not be listed in the December 28, 2006 letter but are nonetheless required to produce x-rays pursuant to the December 22, 2006 Order. See Order at ¶ 6.

Re: *In Re W.R. Grace & Co.*, Case No. 01-01139 (JKF)

Dear David:

I am in receipt of your January 11, 2007 letter certifying that your firm will not be able to make the certification required by the December 22, 2006 Order issued by U.S. Bankruptcy Judge Judith K. Fitzgerald in the above referenced matter. Pursuant to paragraph three of that Order, Grace hereby requests that each of your clients subject to the Order "make his or her original x-ray available for inspection at [your] office within thirty (30 days) days" Order at ¶ 3.

Please be advised, as Grace articulated in its November 17, 2006 notice regarding the production of x-rays, the x-rays will be reviewed by three or more B-readers. Given the volume of x-rays to be reviewed, it will likely take several days before this review will be complete. Accordingly, we will contact you to arrange a time to review the x-rays pursuant to the Court's Order.

For your convenience, I have enclosed the December 28, 2006 letter with the attachment that lists your clients who Grace believes are subject to the Court's December 22nd Order. As detailed in the letter, this list is based on a review of your clients' responses to the Questionnaire as of December 1, 2006. You may have other clients alleging that they have x-ray evidence supporting their allegation that their malignancy is attributable to exposure to asbestos who may not be listed in the December 28, 2006 letter but are nonetheless required to produce x-rays pursuant to the December 22, 2006 Order. See Order at ¶ 6.

If you have any questions or concerns, please do not hesitate to contact me at the number listed above or on my cell phone at (703) 477-7558.
